## Report on Trip to Dalhousie

**Event:** Educational Visit Dalhousie and Khajjiar

**Date:** 14 march 2023 to 17 march 2023

**Trip In charge:** Mrs. Rajni Yadav and Dr Katki Sharma

### Objectives:

- 1.To enhance the knowledge and reinforce experiential and contextual learning of the students.
2. To help the college organizes planned visits to various places to enrich the students and to take learning beyond the four walls of the classroom.
3. Educational Tours for students provide them with an opportunity to collaborate with teachers, and integrate new perspectives with informal environments to enhance learning initiatives.
4. To correlate theoretical knowledge with real time practice with the students.

**Day 01**-Delhi: The Group arrived at Tecnia Institute Of Teacher Education F19 Sec.8 Rohini Delhi-110085 at 10:00 PM on 14 March 2023 after that the journey began to Dalhousie by bus.

**Day 02** Arrived hotel Bias Pushap at 12:30 pm onward and after check in , students had lunch in the hotel. After having lunch all students going for the Sightseeing same day at Gandhi road, mall road and church Built in 1863, it is the oldest church in the town. Apart from its religious significance to the Protestant community, it also has great historical significance. After local Sightseeing all students come back hotel for the dinner and DJ party.

**Day03** kajjiar Sightseeing: The Group arrived at khajjiar”mini Switzerland” of India', Khajjiar is a small town located close (20km) to Dalhousie and is great for a day at 11:00 AM on 16 march 2023. After reached khajjiar there is a small lake in the middle of the meadow and all students enjoy the scenery by their self or take part in some of the adventure sports including paragliding, zorbing, and horse-riding.

**Day 04** All the students and accompanying faculty members assembled at the premises of the Hotel and boarded the bus at 9:00 AM on 17<sup>th</sup> March 2023 and The students reached at Tecnia Institute Of Teacher Education F19 sec 8 Rohini new Delhi by 12:00 pm.

## **PHOTOS OF DALHOUISE TRIP**

### **Learning Outcome:**

1. Students acquired first-hand knowledge about a different side of living and enhance effective learning.
2. Educational Trip offered the perfect informal setup for discussion, dialogues and experiences which helps the students in developing various life-skills, such as team building, time management etc.

3. Educational trip exposed students to different lifestyles, places, people and era. When on educational tour students broaden the understanding of every aspect of the place and its people. Students gain first hand experiences and which allows teachers to expand the topic which is not possible during the normal class.

4. Educational trip stimulated student's reasoning skills and develop critical thinking.

5. When students travelled to different geographical area they were exposed to ideas, customs and social behavior of other societies.

6. To develop communication skills to effectively participate in society's aspects and contribute for the betterment of individuals.
