

## **TECNIA INSTITUTE OF TEACHER EDUCATION**

**Event- AWARENESS CAMPAIGN ON “INNOVATIVE WAYS TO CONSERVE WATER”**

**Day and Date-** 26/04/2023 WEDNESDAY

**Time-**11:00 am Onwards

**Participating Students-** D.El.Ed & DPSE Students

**Programme Head** – Dr Katki Sharma

**Purpose of event:**-Water scarcity is one of the serious concerns for countries across the world. To create awareness on the water conservation is accelerating the change to solve the water and sanitation crisis and emphasizing on the need to take action to address the water crisis.

### **Objectives of the Activity:-**

1. To make people aware regarding importance of water.
2. To make people aware regarding need to conserve water.
3. To spread awareness regarding different ways to conserve water.
4. To make students responsible citizen of country.

### **Report of the Activity**

As instructed by NCTE event “awareness campaign on innovative ways to conserve water” was organized by Tecnia Institute of Teacher Education on 26/04/2023.All students participated with great enthusiasm and zeal. Students made informative posters related to conservation of water. Rally started from sec-8 Rohini TITE campus and covered the areas of sec-7 and sec-8 Rohini. Students were holding

their handmade posters and chanting slogans to save water. All students were very excited and made people aware regarding importance of conservation of water.

### **Learning Outcomes:-**

1. People have been urged to implement rainwater harvesting mechanisms in homes and commercial buildings to save water runoff during rain.
2. The students send message on water conservation techniques and its implementation at various level.
3. The students carried out the message on the concept of awareness on innovative ways to conserve water.
4. Created awareness among people about the need to improve water security and students joined the rally and raised slogans “save water save life “and “save water save nature”.
